

# Benne Digital

## Bringing your message to the customer

Two 15 foot side panels and a rear panel reach viewers on all sides!

## Take advantage of this advertising opportunity!

We take your **custom-designed message** to the crowds, the events, the traffic, driving *your* message home with the frequency you want and the impact you need -- **affordably**. Display still images or videos with stereo sound! Custom production is available, or supply your pre-made presentation of any type.

Call us today for pricing and production information! (573) 348-1958
